Cluster “Metal and vehicles”

Automotive technology, metal construction, mechanical engineering, aircraft construction, precision mechanics, agricultural machinery, and construction machinery technology, etc.

In the following list, you will currently find:

[Metal worker](#)

[Electromechanics](#)

[Automotive](#)

[Agricultural machinery](#)

[Marine maintenance](#)

Metal worker

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0203	Master metalworker International welding specialist DVS Online lecturer (ZWH) Expert for international cooperation (HWK)	2007	Metal construction Welding technology TVET Training workshops planning Call for tenders Curricula/Training plans Technical drawings Windows, doors, facade technology	STE (several times): Namibia, Uganda, Burundi, Rwanda, Nigeria, Egypt STE Tanzania STE Palestine STE India STE Albania Chile, Europe, USA	German English: C1 French: A2
D-0208	Master craftsman in the electroplating trade Graphic designer Expert for international cooperation (HWK)	2014	Restoration of metal parts Logos, flyer, web Lean management	STE Morocco	German English French
D-0403	Master precision mechanic International welding specialist Expert for international cooperation (HWK)	1993	VET trainer Basic metal training Machining Pipe system & conveyor technology VET examination board	STE Tunisia STE Rwanda (several times)	German English: B1
D-0404	Cutting machine operator State-certified technician for mechanical engineering Expert for international cooperation (HWK)	2011	Basic education metal Basic training plastics Lathe systems Milling machine systems CNC machining	STE Rwanda (several times) STE India	German English
D-0504	Master precision mechanic Master Professional in Business Management			STE Uganda	German English
D-0606	Mechanical engineer	1990	Plant engineering Waste Management Project management	Consulting for Argentina	German English Spanish French: basics

D-0607	Master locksmith National trainer Germany for WorldSkills 10 Welding Expert for international cooperation (HWK)	Master since 1981	Metal Construction Technology Association work VET examination board VET trainer	STE Togo (several times) STE Madagascar WorldSkills: Coaching for Kenya WorldSkills Welding: Trainer Germany in Cleveland USA Ireland: Crafts association partnership, Consulting apprenticeship mobility	German English: B1 Italian: A2
D-0707	Metal worker construction technology Industrial master / foreman metalworking International welding specialist DVS Bachelor of Science - Business Psychology Master of Business Administration - Business Psychology Expert for international cooperation (HWK)	2013	Vocational training Metal technology Welding technology Human resources Trainer qualification Curriculum development Quality management Digital teaching material VET examination board (ToT, journeymen, master craftsmen)	STE Kenya, Morocco (several times) STE Madagascar, Senegal, Zambia STE Sri Lanka (several times) STE Azerbaijan, Kosovo, North Macedonia, Georgia STE India (several times) Military operation in Afghanistan	German: C2 English: C1 Spanish: A1
D-0709	Master precision mechanic Electrician for specified activities Industrial mechanic for operating technology Expert for international cooperation (HWK)	2017	Vocational training 3D printing, CAD Welding WIG/MAG/E Ventilation, heating technology in maintenance Production with machine tools turning/milling Maintenance processes	STE Uganda (several times) STE South Africa STE Ghana	German English French: basics
D-0907	Master Metal Construction International Welding Specialist (IWS) Expert for international cooperation (HWK)	1985	Metal construction Welding technology Trainer Industrial mechanics, specialised in maintenance Trainer Precision mechanics Trainer Machine and plant operator, specialised in metal and plastics technology TVET, CBET, DCT, ToT Consulting, Expert opinion	STE Madagascar, Côte d'Ivoire, Kenya, Tunisia STE Irak, Autonomous Kurdistan Region (several times) STE India (several times) STE Lebanon	German English: C1 Spanish: A2

D-0914	Industrial mechanic, specialised in industrial engineering Architect Expert for international cooperation (HWK)	1990	Steel construction Welded constructions MAG, WIG Preservation of historical monuments Construction of commercial and special vehicles Interface architecture/crafts/steel construction Plant construction: Manufacture and assembly of anti-vibration systems for highly sensitive devices (SEM microscopes) Raised floor constructions Founder and owner of a steel and metal construction company	STE Kenya Repeated orders: France, Switzerland, Spain, Turkey, Italy	German English: B2 French: A1
D-1010	Mechanical Engineer (M.Eng.) / Product Development and Manufacturing	2012	Metal construction, machining, CAD design Processing of fiber-reinforced composites Manufacturing engineering, product development Aerospace engineering	Business trips: USA (California), Tunisia, Finland	German: C2 English: B2 French: A2 Spanish: A1

Electromechanics

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0910	Master electrical mechanical engineer Master Professional in Business Management Expert for international cooperation (HWK)	1994	Electrical motors, generators Frequency converter Motors for explosive areas Safety coach	STE Sri Lanka	German English: B1
F-0102	Master's degree in Electromechanical maintenance Expert for international cooperation (CMA NA)	1999	Industrial maintenance and servicing in electromechanics (mechanical, electrical, pneumatic, hydraulic) Business management Vocational education	STE Senegal, Togo, Tunisia Mali	French: C2 Bambara: C2 English: B1/B2
I-0101	Master in Applied industrial electronics Expert for international cooperation (Confartigianato)	1976	Industrial automation Design and construction of electrical panels Production Line Project management, planning and coordination HR management and training	Work Experience for several weeks in: Malaysia, Indonesia, China, Iran, Iraq, Morocco, Tunisia, Algeria, Nigeria,	Italian: C2 English: B2 French: B1

			Budget and cost control	Burkina Faso, Argentina, Brazil, USA, Egypt	
--	--	--	-------------------------	---	--

Automotive

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0206	Motor vehicle technician Master Professional in Business Management Expert for international cooperation (HWK)	1996	Metalworking & welding Organisation of motor vehicle workshop procedures Creation of curricula in the automotive sector Setting up of training workshops in the automotive and metal sectors Adapting of training vehicles Training of specialised staff for motor vehicles	STE Tunisia (several times) STE Senegal (several times) STE Egypt, Uganda STE Moldova, Ukraine, Serbia	German Egyptian Arabic: C1 English: B1
D-0304	Master motor vehicle technician High-Voltage motor vehicle technician Expert for international cooperation (HWK)	1991	Product training for training systems (Lucas-Nuelle) Curricula development TVET equipment tender, TVET design campus TVET personnel ToT Factfinding Learning methodology E-vehicles / Hybrids Vehicle electronics, diagnostic OBD, mechanics Freelance instructor (HWK) VET examination board (HWK) Environment & OHS	STE (several times): Morocco, Ethiopia, Tunisia, Ukraine, USA, Canada, India, Europe Consultant & STE (several times): Albania, South Africa, Egypt, Jordan, Azerbaijan, Senegal Consultant Rwanda Consultant & STE Nigeria STE Palestine (West Bank), Moldova, Serbia Partnership in Austria	German English: C1 French: B1 Dutch: B1
D-0406	Master motor vehicle technician Expert for international cooperation (HWK)	2003		STE Namibia	German English
D-0501	Master vehicle spray painter	2006	Vehicle spray painting Application technology consulting Training for users	Austria Australia STE Namibia	German Russian English

			Bodywork vehicle repair		
D-0608	Master vehicle spray painter Expert for international cooperation (HWK)	1992	Car repair and spray painting	Fact finding Online Trainings Rwanda	German Turkish English
D-0609	Master motor vehicle technician Expert for international cooperation (HWK)	1990	VET examination board VET Training contents and Curriculum development	STE Tunisia (several times) STE Nigeria Consulting for Egypt	German: C2 Moroccan Arabic: C2 Arabic B2 English: B2 French: A1 Turkish: A1 Spanish: A1
D-0701	Master motor vehicle technician Motor vehicle high-voltage technician level 2 Motorsport technician Trainer qualification Expert for international cooperation (HWK)	2007	Technical workshop management Vocational training In-company training E-mobility	Albania USA	German English: B1
D-0703	Master motor vehicle technician Master motor vehicle electrician Master Professional in Business Management Expert for international cooperation (HWK)	1985	Workshop management Training management Self-governing craft organisations Freelance lecturer VET examination board (HWK and IHK) Vocational training committee and HWK presidium	STE Georgia STE Rwanda STE Nigerian delegation in Germany	German English: A2
D-0705	Master motor vehicle technician		Workshop management VET Training	STE Nigerian delegation in Germany	German English Spanish: basics
D-8003	Master motor vehicle technician E-mobility specialist	1982	Training of vocational teachers Electromobility Project management Workshop management Occupational Health & Safety (OH&S) Preventive Maintenance Management	LTE Ethiopia, Egypt, Libya, Saudi Arabia, Kuwait STE Mozambique, Kenya	German: C2 English: C1/C2 Amharic: oral B2, written A1
F-0203	Master in Education, Teaching and Training (MEEF)	2004	Boat maintenance Cars, lorries	Mali	French: C2 English: A1

	Higher National Diploma (BTS) in Marine Activities and Water Sports (MAVA) with Option VI		<p>Diesel engines, petrol engines, mechanical and electronic management</p> <p>On-board electrical systems</p> <p>Polyester hull repairs</p> <p>Rigging adjustments</p> <p>Vocational school teacher in Industrial Science and Technology (marine maintenance)</p>		
--	---	--	--	--	--

Agricultural machinery

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-5004	<p>Master agricultural machinery mechanic</p> <p>Bachelor of Agricultural Engineering</p> <p>Expert for international cooperation (HWK)</p>	2014	<p>Agricultural technology</p> <p>Agriculture (arable farming and grassland)</p> <p>VET instructor and examination board for Agricultural and construction machinery mechatronics engineer (HWK)</p>	<p>STE Senegal (several times)</p> <p>STE Kenya</p> <p>Matching trip Tanzania</p>	<p>German: C2</p> <p>English: B2.2</p>

Marine maintenance

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
F-0203	<p>Master in Education, Teaching and Training (MEEF)</p> <p>Higher National Diploma (BTS) in Marine Activities and Water Sports (MAVA) with Option VI</p>	2004	<p>Boat maintenance</p> <p>Cars, lorries</p> <p>Diesel engines, petrol engines, mechanical and electronic management</p> <p>On-board electrical systems</p> <p>Polyester hull repairs</p> <p>Rigging adjustments</p> <p>Vocational school teacher in Industrial Science and Technology (marine maintenance)</p>	Mali	<p>French: C2</p> <p>English: A1</p>

Cluster “Resources and energy efficiency”

Main and ancillary construction trades, masonry, carpentry, roofing, finishing, building technology, solar engineering, electrical engineering, air conditioning, waste management, water supply, urban planning, etc.

In the following list, you will currently find:

Mason

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0106	State-certified engineer construction Master craftsman mason and concrete works Master Professional in Business Management (HWK) Construction Expert (FIB) Training of Trainer AEVO (HWK) Expert for international cooperation (HWK)	1987	Structural engineering, finishing, scaffolding Project management Construction site accounting and planning Calculation Vocational training consulting Defect Management Training of Trainer Construction and real estate evaluation	LTE Ghana from 2003 to 2014 STE Europe: Georgia, Czech Republic, Italy, Poland, Russia, Switzerland, Malta, Netherlands, Serbia STE Afrika: Egypt, Benin, Liberia, Kenya, Togo, Nigeria, Zambia, Ruanda, Tanzania, Ethiopia STE Asia: China, Iran, India (online), Kirghizstan, Palestine, Sri Lanka STE Guatemala	German: C2 English: C1
D-0201	Master mason and concrete worker Building energy adviser Expert for international cooperation (HWK)	1995	Bricklaying, concrete construction Dry construction, timber construction, arch and vault construction Preservation of historical monuments Occupational safety VET Instructor	STE Zambia (several times) France Portugal	German English: B1 French: A2
D-0302	Master mason and concrete worker Master Professional in Business Management Building conservator in the skilled trades Expert for international cooperation (HWK)	2013	Occupational safety Preservation of historical monuments Formwork concrete work Structural engineering, esp. exposed brickwork and arched masonry Organisation, Business management (Managing director of a construction company)	STE Kenya STE Ethiopia STE Zambia USA: 1 school year	German: C2 English: B2/C1
D-0311	Master mason and concrete work Expert for international cooperation (HWK)	2004	VET instructor Bricklaying Concrete construction Dry construction, timber construction	Moldova STE Zambia	German: C2 English: B1

			CAD design and working drawings		
D-0507	Master mason and concrete worker Expert for international cooperation (HWK)	2002	Bricklaying Plastering Concrete construction	Zambia	German English
D-0805	Mason Civil engineering technician Certified sewer rehabilitation consultant Expert for international cooperation (HWK)	1982	Well construction Site management Building construction House construction Civil engineering Sewer rehabilitation (open/closed)	STE Senegal STE Togo LTE Benin Support for private building developers in France	German: C2 French: B1-B2 English: A2-B1
D-5001	Master mason and concrete worker Joiner / Carpenter Clay construction specialist Expert for international cooperation (HWK)	2003	Structural engineering / bricklaying TVET trainer Formwork construction / Concrete construction Stairs and arch construction Clay and dry clay construction Woodworking Occupational safety Project management	Senegal: 1 year and STE (several times) Tanzania: 6 months STE Uganda (online) STE Nigeria	German: C2 English: B2 French: A2 Wolof (Senegal): C1
D-8001	Civil Engineer Mason	1978	Site quality management, structural work, concrete Planning and execution of construction projects (structural and civil engineering) Quality Assurance/Quality Control Construction of a vocational school Training of local skilled workers	Angola: 20 years Mozambique: 4 years Ghana: 4 years	German: C2 English: C2 Portuguese: C2 Spanish: A2

Roofer (insulation of buildings)

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0305	Master roofer Publicly appointed and sworn expert for the roofing trade Expert for international cooperation (HWK)	1984	Expert opinion Roofing work Company organisation Calculation Accident prevention/work safety	STE Rwanda (several times) STE Uganda (several times)	German English: B2

			Review of learning progress Construction site planning Roofing Facades Flat roof sealing technology Roof drainage Lightning protection		
D-0401	Master roofer Expert for international cooperation (HWK)	2010	Roof, wall and waterproofing technology Wood construction Scaffolding Plumbing	7 years in Spain STE North Cyprus (several times) STE Guatemala (several times)	German Spanish: C1 English: B1 French: A1
D-0503	Master roofer Master Professional in Business Management Expert for international cooperation (HWK)	1979	Roof, wall and waterproofing technology Energetic renovation and consulting Chairman VET examination board for journeymen	STE Uganda	German: C2 English: B2 French: B1 Spanish: A1
D-0509	Roofer All-round craftsman Expert for international cooperation (HWK)	2000	Pitched roof Flat roof Interior fittings	STE Uganda	German English
D-0510	Master roofer Publicly appointed and sworn expert Expert for international cooperation (HWK)	1989	Roof, wall and sealing technology Building energy consultant Guild and association work Solar technology Training and further education Lecturer federal training centre for carpenters	STE Ukraine (online) STE Sri Lanka STE Rwanda STE Turkey	German: C2 English: B2
D-0801	Master roofer Publicly appointed and sworn expert for the roofing trade Building energy consultant Expert for international cooperation (HWK)	1986	Flat roof, building physics Heat and moisture calculations under natural climate conditions Expert opinions for roof, wall and waterproofing technology Drainage calculations Leakage detection in the waterproofing area Expert opinions for damage to buildings Expert opinions for photovoltaic systems	Togo (several times) Luxemburg (expert opinions)	German: C2 English: B1
P-0111	Master Roofer Master Carpenter Master of Geography Expert for international cooperation (WIR)	1996	Roof construction and roof repair services Carpentry, roofing and panel beating Appointed Teacher	4-week training for people from Moldova	Polish: C2 English: B1 Russian: A2

Plumbing, heating and air conditioning technician

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0107	Master plumber and heating engineer Expert for international cooperation (HWK)	2004	Sanitary Barrier-free bathrooms Water treatment	STE Europe	German English Spanish: basics
D-0402	Master plumber and heating engineer Renewable energy specialist Building energy consultant Inspector according to energy saving regulation Expertise for Cat. I or II according to ChemKlimaschutzV (regulation on greenhouse gases) Expert for international cooperation (HWK)	1996	Sanitary, water treatment IT cooling Data centre construction Specialist in energy-efficient heat pump and HVAC solutions	STE Senegal, South Africa, Ethiopia STE Venezuela Saudi Arabia: 6 years Italy: 2 months data centre	German: C2 English: C1 Spanish: B2 Arabic: A0-A1
D-0702	Master plumber and heating engineer Plant mechanic for sanitary, heating and air-conditioning systems Trainer qualification Expert for international cooperation (HWK)	2014	Sanitary, heating and air conditioning technology Building technology Water damage restoration, building drying Interior and exterior waterproofing Rainwater utilisation	STE Senegal STE Guatemala Peru, Columbia Thailand, Cambodia, Laos, Vietnam	German: C2 English: C2 Spanish: B1 French: A1
D-0810	Plant mechanic for sanitary, heating and air-conditioning systems Master Plumber Manager in the roofing trade MID Publicly appointed and sworn expert for the roofing trade and plumbing trades	1989	Flat roofs Metal roofs Expert opinion	Zambia France Italy Austria, Spain, England	German English French
D-0904	Master plumber and heating engineer Building energy consultant Master Professional in Business Management Expert for international cooperation (HWK)	2018	Plumbing Heat pump installation Company start-up Sustainability	STE Zambia	German English: B1

Electrician / Electronics

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0102	Master electrician Expert for international cooperation (HWK)	1994	Technical and commercial consulting of crafts companies	STE Sri Lanka STE Colombia STE Zambia, South Africa (several times) STE Namibia, Rwanda	German: C2 English: C1 Spanish: A2
D-0104	Master electrician Expert for international cooperation (HWK)	2001	Electrical installation in industry and buildings KNX bus Planning, installation and grid connection of photovoltaic systems (PV)	STE Sri Lanka STE Guatemala STE Zambia (several times)	German: C2 English: B2
D-0108	Master electrician Expert for international cooperation (HWK)	1988	Electrical installation Operations management	STE Cameroun	German English
D-0205	Master electrician Expert for international cooperation (HWK)	1995	Industrial Engineering, Industrial Maintenance Workshops in theory and practice for trainees/trainers Photovoltaics On/Off Grid Control technology General electrical installation	STE Mozambique, Ghana (several times) STE Liberia, Zambia, Botswana, Rwanda, Egypt, Nigeria, Ethiopia STE Azerbaijan	German English Hungarian
D-0303	Master electrician Master Professional in Business Management Expert for international cooperation (HWK)	2005	Switching authorisation 30 KV Tunnelling Electrical Engineering Maintenance of production machines	China, USA Europe, including Switzerland STE Zambia	German English Spanish
D-0309	Master electrician Expert in photovoltaics TÜV Rheinland certified Expert for international cooperation (HWK)	1993	Photovoltaics Expert opinion Consultant Standards and committee work	Nigeria, Senegal France Cyprus STE South Africa (several times)	German English French
D-0314	Master electrician Expert for international cooperation (HWK)	2003	30 KV switching authorisation Power generation systems PLC technology Hardware and software	STE Zambia	German English: B2

D-0601	Industrial master electrical engineering Master Professional in Business Management Certified machine safety expert (TÜV) Expert for international cooperation (HWK)	1984	Switching authorisation medium voltage MV 1-30KV Training "Working under power" Explosion protection for operators Occupational safety, production plants worldwide VET examination board (IHK) for mechatronics CE Coordinator (TÜV-Nord)	STE Mongolia STE Zambia Work assignments: China (several times), USA, Mexico, Europe (England, Ireland, Austria, Hungary, Switzerland, France, Spain), Russia, Ukraine	German: C2 English: C1 French: A2
D-0902	Master electrician Expert for international cooperation (HWK)	2002	Industrial and building services engineering Electrical installation Smart home Fire protection, smoke alarms Security technology	STE Zambia STE Sri Lanka STE South Africa	German: C2 Tamil: C2 English: C1 French: A1
D-0911	State-certified electrical engineering technician Expert for international cooperation (HWK)	2014	Energy technology and process automation	STE Ethiopia	German English: B1
D-1001	Bachelor Professional electric engineering	2018	HV switching authorization up to 420kV Working under voltage Occupational safety in high-voltage technology Maintenance and construction of substations and electrical systems	STE Zambia	German: C2 English: C1
F-0212	Higher Technician Certificate in Electrotechnics	1977	Electricity, distribution, thermal production Operations agency manager / thermal power plant manager	Senegal, Togo, Côte d'Ivoire	French: C2 English: A1
I-0103	Electrician Certificate of Professional Qualification Master Craftsman Certification-Veneto Region Expert for international cooperation (Confartigianato)	1983	Civil and industrial electrical installations Installation of medium voltage systems, industrial automation systems Fire and intrusion security systems, home automation systems, emergency lighting Photovoltaic systems up to 20 kWp	STE Zambia	Italian: C2 English: B1

Carpenter

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0312	State-certified wood technician Carpenter Building energy consultant Expert for international cooperation (HWK)	1995	Training in construction trades (inter-company apprenticeship training) Timber construction and renovation Energetic building renovation Staircase construction (carpenter) Occupational safety in the building trade Operational planning (wood workshops) Curricula and teaching materials (building trades)	VAE Abu Dhabi Moldova STE Morocco, Rwanda, Ethiopia, Kenya Jordan	German English: B2 French: A1
D-0313	Master carpenter Building energy consultant Expert for international cooperation (HWK)	1997	CAD planning Timber construction Company organisation Digital production processes, network technology, CAD/CAM links	STE Uganda (several times) STE Switzerland, Austria STE Jamaica	German: C2 English: B2
D-0508	Master carpenter Expert for international cooperation (HWK)	1976	Solid wood, half-timbered, straw and log house construction Energy consulting and implementation Renovation of old buildings Project management	STE Namibia South Africa	German English
D-0708	Master carpenter Building energy consultant (HWK) Expert for international cooperation (HWK)	2015	Vocational training, Occupational safety Woodworking machines Load-bearing timber constructions Energetic renovations Sustainable construction with regenerative building materials Roofing, Drywall construction	STE Zambia STE Guatemala Australia work experience in wood construction (6 months) Vietnam, Philippines, Indonesia, Thailand (travel)	German: C2 English: B2
D-0807	Forester, Carpenter State-certified building technician Expert for wood preservation in construction Expert for international cooperation (HWK)	2008	Project development, Vocational training Eastern Europe Sustainable Building Construction Management Lecturer for master craftsman preparation	STE South Africa Work experience in Poland, Sweden, Switzerland Pupil exchange in Senegal	German Polish English

			VET examination board for master craftsmen		
D-1002	Master carpenter State-certified construction technician Certified foreman in building construction Construction site coordinator for occupational safety	1992	Carpentry Building construction - Site organisation Occupational safety Vocational training, professional training and continuing education (training master in a vocational training centre)	STE Georgia	German: C2 English: B2 Spanish: A2
D-5001	Master mason and concrete worker Joiner / Carpenter Clay construction specialist Expert for international cooperation (HWK)	2003	Structural engineering / bricklaying TVET trainer Formwork construction / Concrete construction Stairs and arch construction Clay and dry clay construction Woodworking Occupational safety Project management	Senegal: 1 year and STE (several times) Tanzania: 6 months Uganda (online) Nigeria	German: C2 English: B2 French: A2 Wolof (Senegal): C1
F-0105	Technician in wood and housing construction systems Degree in eco-design of wood structures Expert for international cooperation (CMA NA)	2005	Carpenter, joiner Wooden toys Project planning and manufacture	Senegal	French English German
P-0111	Master Carpenter Master Roofer Master of Geography Expert for international cooperation (WIR)	1996	Roof construction and roof repair services Carpentry, roofing and panel beating Appointed Teacher	4-week training for people from Moldova	Polish: C2 English: B1 Russian: A2

Cabinet maker / Joiner

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0105	Master cabinet maker Master Professional in Business Management Expert for international cooperation (HWK)	1995	VET examination board Furniture production CNC Machining Company organisation Accident prevention Business partnerships Africa	STE Colombia STE Kenya STE Uganda STE South Africa (several times)	German English: B2/C1 Spanish: A1

D-0909	Cabinet maker / Joiner Restorer (Furniture/Wood) MA Expert for international cooperation (HWK)	1997	Furniture-making/interiors/set-building Restoration Protection of historical heritage Corporate management Training	STE Madagascar	German: C2 English: C2 French: A2
D-1004	Master cabinet maker	1985	Enterprise management, sales and distribution, personnel management Execution of interior projects + furniture production, design Production planning, process organization Digitalization of production strategies ERP + 3D CAD-CAM + CNC technologies Industrial + on the job safety Professional trainer Master Examination Board HWK (Chamber of Skilled Crafts)	STE Namibia Ireland: Interieur projects	German: C2 English: B2
D-1011	Master cabinet maker	2015	Furniture, kitchens, interior fittings	STE Namibia Assembly assignments (max. 2 weeks): Netherlands, Italy, Czech Republic, Switzerland, Austria	German: C2 English: B2
D-1012	Master cabinet maker	2012	Joinery/Millwork Furniture making, furniture design, interior fittings Production of customised furniture Repairs, changes, surface treatment Project/job design preparation and distribution of design documents including production documents and schedules Project management and coordination Quality control Support with apprentice training	New Zealand: 1 year Tanzania: 1 year Nigeria: 5 years	German: C2 English: B2 Swahili: A1/A2
D-8002	Cabinet maker, state-certified wood engineer Environmental auditor EMAS Quality management consultant Certified vocational pedagogue, Train the Trainer	1998	Furniture design and construction, interior fittings and flooring design Implementation of dual training and vocational training measures	STE Kenya Kenya: 3 years Sudan: 7 months	German: C2 English: C1 Spanish: B1

			Lecturer in master craftsman preparation for carpentry and dual apprenticeship Training of trainers (ToT) Project coordination, project consulting and quality management (DC projects)		
F-0213	Sawyer, Cabinet maker / Joiner	2003	Production Manager, Log Splitting Mobile Sawmill	Gabon (several times) Madagascar	French: C2 Spanish: B1
F-0218	Master Craftsman Building and Interior Joinery Cabinet-making, interior designer and staircase builder Quantity surveyor technician	1983	Traditional woodworking, fittings, staircases Training and certification engineering Response engineering	Senegal Luxemburg, Belgium	French: C2 English: A2 German: A2
I-0109	High School Diploma in Accounting Restoration Technician Master Craftsman certification (Veneto Region) Expert for international cooperation (Confartigianato)	1984	Manual work, leveraging expertise in wood technology and restoration Overseeing the construction of high-quality wooden windows and doors	STE Namibia	Italian: C2 English: B1
I-0110	Restoration Technician Middle School Diploma Master Craftsman certification (Veneto Region) Expert for international cooperation (Confartigianato)	1989	Manual work, leveraging expertise in wood technology and restoration Construction of high-quality wooden windows and doors	STE Namibia	Italian: C2 English: B1
P-0107	Master Joiner Woodcarving journeyman Wood materials technologist Expert for international cooperation (WIR)	1985	Handmade furniture Furniture restoration Design and manufacture of custom-made furniture, audio furniture and boomerangs	4-week individual training in Poland for a person from Ukraine	Polish: C2 English: B2 German: B1 Russian: A2 Spanish: A1
P-0108	Master Joiner Expert for international cooperation (WIR)	1994	Manufacture of custom-made furniture Bespoke furniture for offices, shops and homes Professional CNC machining	4-week individual training in Poland for a person from Ukraine	Polish: C2 Russian: A2 French: A1

Painter

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0307	Master painter Expert for international cooperation (HWK)	2005	Dual vocational training	STE Mongolia	German English

Construction and interior finishing

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
P-0112	Master painter and decorator Expert for international cooperation (WIR)	1975	Construction of single-family homes, including finishing work Construction of energy-efficient homes Regeneration of wooden floors Preparation of students and member of the VET examination committee for journeymen and master craftsmen in the professions of construction and interior finishing, painter and decorator	4-week individual training in Poland for a person from Ukraine	Polish: C2 German: A2 Russian: A1

Scaffolder

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-1008	Master scaffolder	2014	Inter-company training courses in scaffolding Lecturer in vocational training for young people/young adults Lecturer in further and advanced training in adult education		German: C2 English: B1

Demolition

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
I-0108	Diploma in Hotel Management Course on anti-seismic structures Training in micro and maxi demolitions on various types of structures Safety plans for working at height Expert for international cooperation (Confartigianato)	1994	Drilling and demolition, wall cutting Industrial floor thickness reduction Wire cutting, core drilling for ventilation, circular holes	STE Moldova	Italian: C2 English: A1 French: B1

Cluster “Food and food security”

Food trades, baker, butcher, process engineering, supply chain and cold chain, agriculture, food processing etc.

In the following list, you will currently find:

[Baker / Confectioner](#)

[Butcher](#)

Baker / Confectioner

Internal reference	Trade/Qualification	Work experience since	Professional main focus	International work experience	Language skills
D-0101	Master confectioner Master Professional in Business Management Expert for international cooperation (HWK)	1984	Confectionery Further training coordinator: Planning, calculation, administration	STE Colombia STE Kenya	German English Spanish: basics
D-0308	Master baker	1995	Apprentice training Food hygiene Confectionery Window construction assembly	STE Malawi Europe	German English
D-0502	Master confectioner Expert for international cooperation (HWK)			Great Britain (long time) STE Zambia	German English French
D-0506	Master baker Master confectioner Master Professional in Business Management Banker Expert for international cooperation (HWK)			STE Tunisia (several times) Australia (long time) STE Gambia	German English
D-5002	Master confectioner Expert for international cooperation (HWK)	2015	Master confectioner Trainer, vocational teacher Business start-up Translator English, Spanish	STE Tanzania, Rwanda, Uganda STE Colombia Romania Greece	German: C2 English: C2 Spanish: C1 French: B2
D-5005	Baker Textile production Expert for international cooperation (HWK)	2022 (bakery) 2012-2017 (textile)	Bread/sourdough production Management, development Textile: product development, quality control, production processes in the factories, business development	STE Senegal (bakery) Hong Kong/Bangladesch: 5 years (textile)	German: C2 English: C1 French: A2 Spanish: A2
F-0103	B.M. Pastry, confectionery, chocolate, catering Expert for international cooperation (CMA NA)	2016	Confectioner, baker Chocolatier Caterer	Tunisia	French: C2 English: B1
